SUPERINTENDENT'S MESSAGE

The primary function of schools is the development of good citizens. Today as never before, our nation needs them - citizens who can think for themselves and who will not be led off to false goals. This development is our aim, inside and out of formal classrooms. We provide experiences in student body elections, on teams, on committees, on publication in student body elections, in punctuality, and in dependability. Citizenship is being developed all day, every day. We want it to be the best possible for each student.

So long as you shall live, you will be a representative of Elba High School. May the memories evoked by the pages of this yearbook always be pleasant ones, and may your pride in your Alma Mater never diminish. We who remain are proud of your achievements; we salute you and wish you Godspeed in the challenging years ahead.

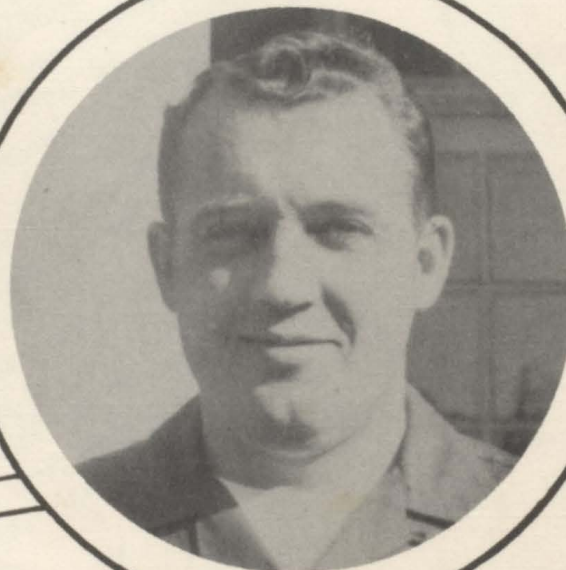

Mr. S. J. Casey
City Superintendent

DEDICATION

To: Coach Frank Buckner and Coach Pearino Gaither who inspired us to look for greater achievements in life as well as sports and whose delightful personalities have won the love and admiration of the student body . . . we fondly dedicate this 1954 edition of . . .

We, the 1954 ELBALA Staff, present to you your yearbook. We hope that you will cherish it as a Memento to the happy days you have had at Elba High School. May it recall the work and play that we have had together. Every effort has been made to include all phases of our school life, the love for our Alma Mater and those things for which she stands.
